TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Charlestown, in the County of Sullivan, in said State, qualified to vote in Town affairs:-

You are hereby notified to meet at the Town Hall in said Charlestown, on Tuesday, the fourteenth (14th) day of March next at nine o'clock in the forenoon, to act upon the following subjects:

Art. 1. To choose the necessary officers for the ensuing year.

Art. 2. To consider the Budget. To raise such sums of money as may be deemed necessary for the maintenance of the poor, laying out and repairing highways, building and repairing bridges, and for necessary charges arising within the Town.

Art. 3. To see if the Town will vote to allow the Selectmen to deliver the inventory blanks at the time of taking inventory.

Art. 4. To see if the Town will vote to authorize the Selectmen to borrow on notes on the credit of the Town, such sums of money as may be needed to meet current expenses in anticipation of taxes.

Art. 5. To see what sum of money the Town will vote to raise and appropriate for the purpose of lighting the streets within the Town.

Art. 6. To see if the Town will vote to allow 4% discount on all property taxes paid on or before June 15th, 1933; 3% on or before July 15th, 1933; 2% on or before August 15th, 1933; and 1% on or before September 15th, 1933.

Art. 7. To see what action the Town will take in regard to spreading Tarvia on the village highways within the Town.

Art. 8 To see if the Town will vote to gravel South West Street from Cobb's corner south to the residence of F. B. Mayette.

Art. 9. To see if the Town will vote to raise and appropriate a sum of money for the purpose of co-operating with the State Forestry Department in regard to White Pine blister rust control.

Art. 10. To see if the Town will vote to abolish the office of Chief of Police, and to instruct the Selectmen to appoint a sufficient number of suitable men to efficiently do the work of this office. Officers thus appointed to be paid for actual services rendered.

Art. 11. To see if the Town will vote to furnish free the use of the Town Hall to the Schools for basket ball, entertainments and meetings, and cancel all bills not paid for such uses to date.

Art. 12. To see if the Town will vote to authorize the Selectmen to negotiate with the Boston & Maine R. R. Co., the New Hampshire Public Service Commission, and the State Highway Department, any or all of these, for the purpose of closing the newly made grade crossing at the South Charlestown Station, and to re-open the underpass below South Charlestown, and the grade crossing known as the Kendall crossing north of South Charlestown, and to protect the latter with signal lights.

Art. 13. To see if the Town will vote to discontinue certain portions of the Town highway, known as the Connecticut Valley trunk line between Charlestown and Walpole, the use of such portions of highway being no longer required by reason of the relocation of said highway in the course of the reconstruction of same; and to authorize the Selectmen to petition the Superior Court for its consent to such discontinuance if such procedure is necessary, and to do all other things necessary in connection therewith.

Art. 14. To see if the Town will vote to instruct the Moderator to appoint a Finance Committee to assist in making up the Budget.

Art. 15. To see if the Town will vote to install a solution feed chlorinator with hydraulic injector on main pipe of Town Water Supply as recommended by the State Board of Health.

Art. 16. To see if the Town will vote to instruct the Selectmen to make application to the Grafton County Electric Light & Power Co. for a reduction in price per light for street lighting in Charlestown.

Art. 17. To hear the reports of Agents, Auditors, Committees or Officers heretofore chosen, and pass any vote relating thereto, and to transact any other business that may legally come before said meeting.

Given under our hands and seals this twenty-fourth (24th,) day of February, in the year of our Lord, 1933.

AUDITORS' REPORT

We, the undersigned Auditors of the Town of Charlestown, have examined the accounts as set forth in the accompanying schedules of the Selectmen, Town Treasurer, Treasurer of Silsby Free Public Library, Water Commissioners, Town Clerk, Tax Collectors, and Trustees of Trust Funds, and other Town Officers, and find them correct.

D. THEO. HOFFMAN,
WILLIAM MILLER, JR.,
CARL A. BUSWELL,
Auditors.

Charlestown N. H., February 16, 1933.

HEALTH OFFICER'S REPORT

From February 1, 1932 to February 1, 1933 the following contagious diseases have been reported:

Measles, 78

At the Child Health Conference held in June 1932, 38 children of pre-school age were weighed, measured and given a complete physical examination. Of these children, 22 were found with defects and 16 were normal. This Conference was conducted under the direction of the State Board of Health.

Parents this year have seemed more willing than ever before to co-operate with the health officer in the matter of vaccination. With the exception of a few cases where it seemed unwise to vaccinate at the present time on account of health conditions, our school children are all vaccinated. Parents having children who will enter school this fall are urged to have them vaccinated during the summer. The health officer will be glad to give information in regard to this matter.

There have been four analysis of the public water supply during the year. Samples of water from both the village supply and North Charlestown have been submitted to the State Laboratory for analysis. During the year several samples of milk taken from the local dealers have been submitted to the State Laboratory for test and in all cases it was found that milk well above the State requirements was being sold by Charlestown dealers. Results of both water and milk analysis may be seen by anyone at any time on application to the health officer.

A small increase in circulation is noted. The Reading Room has been made into a study room for High School pupils and the magazines moved into hall. Through the kindness of Mr. Mason, Superintendent of Schools, we obtained a long table for them, with two benches. A magazine rack is greatly needed. Our greatest acquisition this year was the Worlds Encyclopedia and Reference Book, recommended by the State Library Commission. As our funds were low the money for payment had to be raised by subscription and I received a most generous response to my personal appeals, so that we were able to make our first payment of $42.50 on time. Now we have the second payment to meet in August. The High School pupils are making such good use of these books that we have given the Reading Room over to their use for reference work and study, moving the magazines to a long table in outer hall. The table and two benches lent us by Mr. Mason, Superintendent of Schools.

FRANK W. HAMLIN, School Treasurer

Report of Superintendent of Schools

To the Charlestown School Board;—

I herewith submit my third annual report as your Superintendent of Schools.

Many changes were made in the teaching force at the beginning of this year. We lost some very able teachers. Mr. Harlan Atherton resigned to accept a position as headmaster of Wilton High School, and Mr. William Steele was promoted to the position of headmaster here. Out of fourteen teachers eight were new to us last fall, Mr. Harold Morrill, submaster; Mr. Elliot Burbank, manual arts and science; Miss Marjorie Rhodes, domestic arts; Miss Agnes Raymond, music and French; Miss Bertha Hall, fifth and sixth grades; Miss Winifred Hall, second and third grades; Miss Isabelle Davis, first and second grades; and Miss Helen Streeter, upper grades at the Farwell School. The six teachers left from the force of 1931-32 are Mr. Steele, Miss Sipolin, Miss Weast, Miss Simmons, Miss Eaton and Miss Lane.

In the main teachers have prepared their work well, worked overtime, helped with outside projects, and have cooperated to make happy relationships in the schools, in the boarding places, and in the community.

Teachers set standards for our children to follow, not only in the schoolrooms, but on the street, and in other walks of life. Most parents are used to the expressions "My teacher says," and "My teacher does." It may be a question as to how much influence teachers should have on their pupils' lives, but there is little doubt about the influence they do have. Teaching is a profession, and the district has a right to expect stability, interest in public welfare, self denial, and a high standard of moral conduct from its teachers. The true teacher of children, the one who has lived up to these ideals, has a right to the support of the public to help her persevere.

Headmaster Steele has taken his work seriously, and has developed a system that is superior. He has had the cooperation of the teachers and pupils to a high degree. The children seem happy and businesslike. This is especially true in the offices, halls and in the Commercial Department, but it is also noticeable in the other departments and in the grade rooms. The businesslike attitude of the pupils has received favorable comment from a number of able educators who have visited the schools. I wish that every parent might visit the schools to see their pupils and teachers at work. You have good reason to feel pleased with your teachers and their work not only at the Village, but at South and Farwell Schools.

High school pupils are tested twice each year by the class in testing from Keene Normal School, and the rest of the pupils are checked in their work by the Columbian System. I believe that these are the least expensive and most efficient methods to be found.

The school buildings are in good condition. At Holden High School metal weatherstrips have been installed on thirty-one windows and four doors, twelve typewriters were cleaned and adjusted,one hundred thirty-four pupils' desks were given a new smooth surface, and the basements were painted. Plumbing work has been done at the South School. There are a number of improvements and repairs that might be done during 1933-34, but none of them are outstanding, or needed to save damages.

May I refer you to last year's report which was quite detailed in respect to finances. Little can be added this year that would be of value. It would be well to study the trend in the changes in costs of different items in the budget that we may determine where savings have already been made and where savings can be made. From the financial reports for the eleven years 1922-1932 I have computed an average for each item in the budget and compared that with an estimate of the costs of those items during 1932-33.

	ELEVEN YEARS' AVERAGE	1932-33
Teachers' salaries	$14,770.25	$13,920.00
Supplies and other expenses	1,565.25	1,350.00
Books	624.22	700.00
Fuel	1,390.62	900.00
Expenses of administration	348.39	200.00
Minor repairs	839.87	775.00
Bills of previous year	106.01	none
Janitors' salaries	1,406.65	1,356.50
Other fixed charges	113.15	none
Land and new buildings	16.95	none
Alterations in buildings	1,459.52	none
New equipment	448.32	55.00
Insurance	175.10	220.50
Flags and app.	8.87	9.50
Medical inspection	394.30	570.95
State tax	689.46	776.00
Lights and janitors' supplies	310.96	450.00
District's part of supt's. salary	424.96	622.23
Truant officer and census	81.39	83.86
District officers salaries	275.73	295.00
Payment of debt	930.82	1,735.00
Interest on debt	171.45	300.00
Transportation	3,202.02	5,389.00
Totals	$29,754.26	$29,708.54

To make this study complete one must examine the income tabulated in a similar way, also the number of pupils on which costs are based.

	ELEVEN YEARS' AVERAGE	1932-33
Number of grade pupils	263	278
Number of high school pupils	62	98
Amount of state aid	$ 4,675.44	$ 4,541.71
Am't. from local taxes or borrowed	23,260.21	24,120.00
Dog tax	224.07	370.00
Tuitions	142.40	108.00
Supplies sold	142.26	55.00
Vocational edu. aid	26.92	300.00
Gifts and other receipts	1,434.45	none

One notices that nearly every item over which you have a direct control has been materially reduced, while the increases in the payment on debts and transportation have balanced all the savings. May I call your attention to the costs of the three essentials, supplies, books and fuel which cost over the eleven year period an average of $3,579.09 for 325 pupils, or $11.01 per pupil, but in 1932-33 is costing $2,950.00 for 376 pupils, or $7.85 per pupil. The teachers salaries were cut from $15,008.25 last year to $13,920.00 this year in spite of the fact that one teacher was added to the force. About $300.00 will be paid to help with domestic arts this year. This means a saving of $1,388.25 in teachers salaries since last year.

The Water Board has never charged the schools for water but the electric lights and paper towels have increased the items generally called, "water, lights and janitors' supplies."

I wish to thank the Charlestown School Board, the teachers, the pupils and citizens for their cooperation and kindness.

Respectfully submitted,

WALTER L. MASON
